

The First Time You Open the metroKEY App

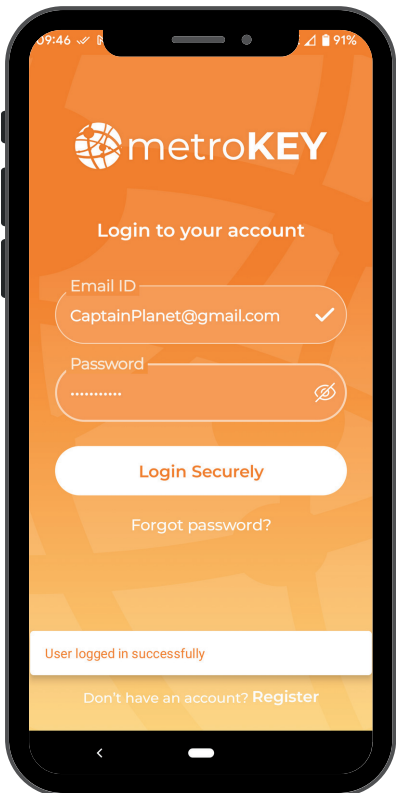

Step-By-Step Instructions

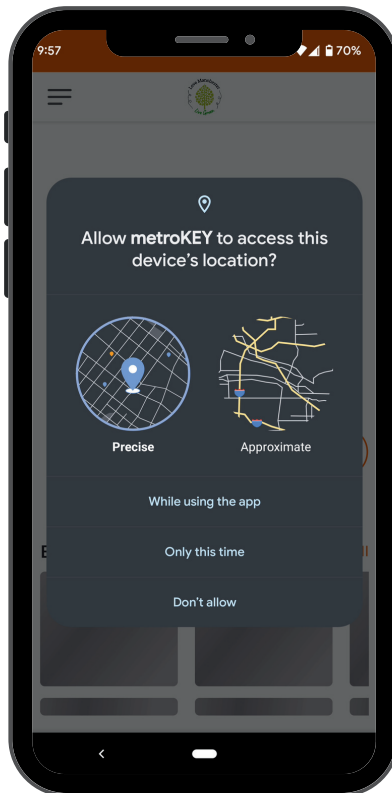

1 Open the app on your cell phone

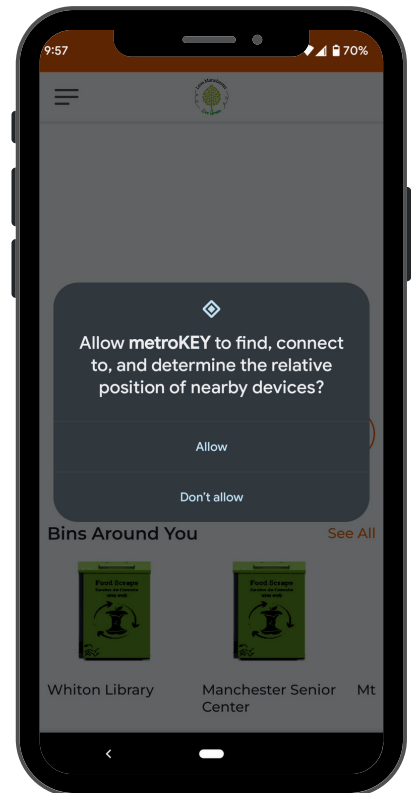

2 If prompted to log in, enter your email, password, and select "Login Securely"

3 If done correctly, you should see "User logged in successfully" at the bottom of the screen

4 You will need to allow the app to have access to your devices location

5 You will also need to allow the app to connect to the drop-off station
