Union Pond Park Litter Cleanup Event

August 10th | 9:30am-11:30pm

110 North School Street, Manchester, CT

Union Pond is shallower than usual, due to construction on the dam. Let's take this opportunity to pick-up the litter along the exposed shores!

- Gloves, trash pickers, and buckets will be provided. Make sure to bring water and dress accordingly.
- There is limited parking at Union Pond Park, however, there is available parking across the street at Robertson Park.
