

Town of Manchester Community Compost Program

ManchesterCT.gov/FoodWaste

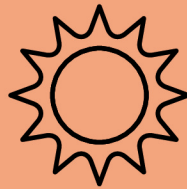

1

Separate out your food scraps by following the instructions on the back of this sheet. DO NOT use compostable bags or plastic bags. Instead, use a brown paper bag!

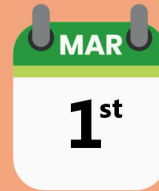

2

Add your food scraps to the composting units behind the **Spruce Street Community Garden**. There will be a notice posted when finished compost is available to participants!

This is a **SEASONAL** program!

through

All Manchester residents are eligible to drop-off their food scraps here.

Spruce St Community Garden

📍 153 Spruce St, Manchester, CT
