**Destination**, a barbershop quartet from the Silk City Chorus, is hosting their very own benefit concert to help them go to the International Convention/Competition in Cleveland, Ohio in July 2024. They qualified for the event this past spring for the very first time and are internationally ranked 35<sup>th</sup>.

And they are bringing their friends to the concert. Plan to join them for a **free concert** to thank everyone for cheering them on for these past few years. They will be graciously accepting any free will contributions that attendees can give at the door--If you can't attend but still want to help them out on their journey to Cleveland, please consider heading to their GoFundMe page: <https://gofund.me/e70f6867>

Seriously—a big thank you to everyone from the quartet for your support since 2018 (has it been that long?!). They feel blessed to be part of the new wave of quartetting in the Northeastern District. Of all the milestones they've reached, qualifying for international was perhaps their greatest dream. They finally did it! Now they are ramping up to go to Cleveland this summer, and would greatly appreciate your support for this new.....Destination!

\*\*\* Also featuring local quartets *Table Four Four* and *Twilight!* \*\*\*
