Manchester Opens Registration for Government Academy

Manchester, CT – The Town of Manchester is now accepting applications for Government Academy Fall 2024 session. The program provides the public with a hands-on opportunity to learn about the inner workings of local government.

The program will consist of a series of interactive sessions, and participants will get an inside look at the municipal operations covering everything from public safety to the public library.

Participants will experience a lively blend of demonstrations, presentations, and tours, all conducted in a casual format at numerous sites throughout the Town and can expect to come away with a heightened awareness and knowledge of local government operations as well as a greater understanding of how to get involved in local affairs.

The nine-week program will begin on Thursday, September 5, 2024, and will conclude on Wednesday, October 30, 2024. The sessions are free and held mostly on Thursday evenings with a couple exceptions; anyone living or working in Manchester are welcome to apply.

While seating is limited, applications received first will be given preference.

If you have any questions, please feel free to contact the Academy Coordinator, Lisa Fusco at (860) 647-3092.
